

E110 CALA JONDAL - IBIZA

Cala Jondal is the most exclusive Bay in Ibiza. With its crystalline waters and great cliffs and pines, Cala Jondal is undoubtedly one of the most beautiful beaches on the island where the best restaurants of the island are located (Blue Marlin, Yemanja, Tropicana).

The property extends over 9000m² and has various outdoor areas with a great chill-out space and a fitted summer kitchen. From there one can contemplate sunrise, sunset and sea. Heavenly! The villa has 360m² of living space and is completely renovated, with a careful fashion-forward decoration. It has 5 double rooms with private bathroom.
